

APPLE TREE
CHILDREN'S CENTERS

Apple Tree Children's Center-West

January 2018

Gaze upward, look inward, reach outward, and press forward.
Thomas S. Monson

Things to Remember for the Winter

In the event of inclement winter weather our center will NOT close for business, unless it is an extremely severe winter storm that causes the entire community to shut down. There may be times when our center may be forced to delay opening for business due to road conditions. In this event we will announce the information to proper broadcasting networks and radio stations.

Looking foreword to January

As the holiday season has ended, we turn towards teaching the children new things. This month they will learn all about the winter season, Polar Animals, Mittens, People who make a difference, and shadows. We are looking foreword to all the fun and hands on activities for your child this brings!

The mission of Apple Tree Children's Centers is to provide exceptional care, nurture and age appropriate learning opportunities in the context of a Christ centered worldview. This mission is accomplished through the dedicated effort of management and staff whose concern is for the welfare of the children entrusted to their care.

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.
Ephesians 4:32

We participate in the Child and Adult Care Food Program. CACFP is available to all participants without regard to race, color, national origin, sex or disability.

Come see our kids at the Skyforce!!!!

On January 17th some students from Apple Tree West will be signing the National Anthem before the Skyforce game at 6:30! We hope to see lots of people there! Don't forget to cheer on our local Skyforce Team!!!! If your child is singing they will get in for free, otherwise tickets will be half price. If interested in going let a director know!

No Parking

Please remember not to park directly behind the busses when picking up or dropping off your children.

Just a reminder.....

With the cold weather upon us we wanted to send out a few reminders.

Temperature to go outside

To go outside in the winter the temperature must be 15 degrees above with a wind-chill factor not less than zero. Please make sure your child has weather appropriate attire.

Weather Outdoor Gear

Mittens

Hats

Coats

Snow pants

Boots

Along with boots please make sure to bring tennis shoes for the day

Tax Statement

If you will be needing a year end tax statement please let one of the Directors know.

Science Corner

Materials

A jar or similar container

Baby oil

White paint

Water

Iridescent glitter

Alka Seltzer

Optional: Blue food coloring

- Fill the jar 3/4 of the way with baby oil. Set this aside.
- In a bowl combine one teaspoon of white paint with one cup of water. Mix until the paint is dissolved. This will essentially give you white water.
- Once mixed pour the "white water" into the jar leaving a little room at the top.
- Have kids sprinkle in glitter.
- Add blue food coloring if desired.
- Then, wait for the glitter and water to settle at the bottom of the jar.
- Take an alka seltzer tablet and break it into pieces.
- Then, have the kids drop the pieces into the jar and watch what
