We thank all the parents and families who attended our Christmas programs. They all did a wonderful job and we're so proud of the children who took part in it. We hope everyone enjoyed all the Christmas celebrations.

The Lions class (5's) went caroling to raise money for the Children's Miracle Network. Thank you to the parents for allowing us to come to your place of work and raise money for such an amazing organization.

Thanks to all our families who donated toys for the Salvation Army's Angel Tree. Our giving tree was full of the Angel Tree ornaments and we are grateful for all your support.

We now Accept Credit/Debit Cards

We still encourage Tuition Express. You will need to fill out a Tuition Express form with a VOIDED check. If payments are made with a Credit/Debit Card there will be a small service fee added to your payments of 1.55% for Credit Cards and .25% for Debit Cards. Tuition is due on Mondays for the current week.

The children will be going outside to play if the temperature is above 15 degrees and the wind chill factor is above zero. On snowy days, please send snow pants, coats, mittens, hats, boots, ect. All items should be clearly marked with their first and last name. All children should have an extra set of warm clothes in the center at all times.

Our center will not close for business during inclement weather, unless it is an extremely severe winter storm that causes the functions of the entire community to shut down. It is the parents' discretion whether the road conditions are safe and passable. There may be times when our center may be forced to delay opening for business due to road conditions which inhabits our staffs ability to reach the center by 6:30am. In the unlikely event of a delay opening time we will announce the appropriate information on the local stations.

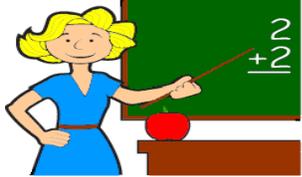

Whenever you, as a currently enrolled parent, refer another parent to any one of our centers, you will receive a tuition credit after the new family has been enrolled in our center for four complete weeks. Also, the newly enrolled parent's registration fee will be credited after four complete week of enrollment. Returning families must have been absent for at least one year before they can be referred by another family.
